

AGN. NO. _____

MOTION BY SUPERVISOR YVONNE B. BURKE

June 1, 2004

The Saint Malachy Catholic Church will be holding its annual festival June 10th through the 13th, 2004. The church is a non-profit organization and will be having the festival as a fund-raiser to aid in the construction of a new kindergarten and additional classrooms for their school.

This event is required to obtain a temporary use permit from the Department of Regional Planning. In previous years, the Board of Supervisors has approved waivers of the Temporary Use Permit fees to show support for events beneficial to the community. The current fee for a Temporary Use Permit is \$770.00.

This event is important for the community of Florence/Firestone and deserves the full support of the County. I feel that we should provide support for this event by waiving the permit fee.

I THEREFORE MOVE THAT the Board of Supervisors waive the Department of Regional Planning's filing fee of \$770.00 for the temporary use permit
